

# COUPONS

VIP service for partners

## Gift coupons

Gift coupons for unlocking the woodworking mobile application and paid services of the portal TIMBERPOLIS

**Delight your customers with a useful gift; offer them an interesting bonus and thank customers for their business.**

Present a coupon to your friends, partners or customers.  
There is no limit to number of coupons that may be gifted. It is simply up to the partner to decide how to distribute them.

## Benefits

### **Unlocking premium services by entering a gift coupon**

- unlocking paid features of the TIMBERPOLIS portal and mobile application
- the period of unlocking (number of months) is subject to agreement

### **The TIMBERPOLIS mobile application with your logo**

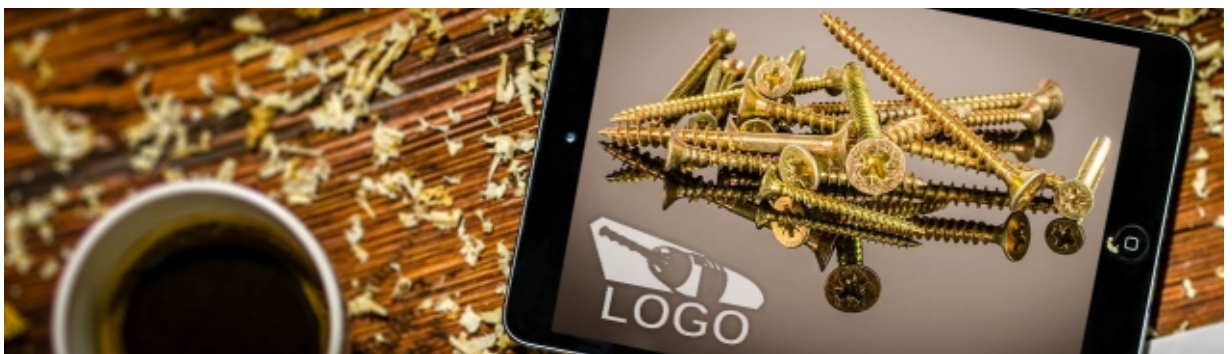

- partner's commercial ad (image) with each launching of the app
- the possibility of replacing the ad during the coupon campaign

### **Logo of a partner on the TIMBERPOLIS portal**

- displaying of the logo in a user account (after log in) and in the COUPON section

### **Special discount for a partner's client upon ordering the full version**

- the amount of the discount is subject to agreement
